* USU Biology Building was ranked high based on only the new building portion of the project. \$38 Million + \$7 Million other funds

* Agriculture and Food needs additional study -- high need.

* Land Banking -- Board agrees that land banking should not be ranked because there is no immediate need.

MOTION: Gordon Snow moved to approve the FY 2017 State Funded Capital Development Prioritization with the addition of footnotes to emphasize specific projects to the Legislature. The motion was seconded by Bob Fitch and passed unanimously.

Chair Carnahan asked for a motion on the Land Banking Prioritization. He stated the Board feels there is not an immediate need for land acquisition this year and as a result, Land Banking will not be ranked.
