PART A OVERVIEW

SECTION

1.0 Purpose of RFP

1.1 Definitions

As used in this RFP:

- A. "RFP" means this Request for Proposals to the Utah Educational Savings Plan (i.e., RFP No. UESP Investment Consultant Services - 2015).
- B. "UESP" means the Utah Educational Savings Plan.

1.2 Statement of Purpose

The Utah Educational Savings Plan (UESP) intends to enter into a contract with a qualified consultant to provide investment consultant services as well as other professional services as requested by UESP. It is anticipated that this RFP will result in a contract award to a single contractor.

1.3 UESP Background Information

UESP was established by the Utah State Legislature as a nonprofit, self-supporting agency that administers a public trust. The 529 plan offered by UESP (which is also referred to as "UESP") is designed to comply with Section 529 of the Internal Revenue Code of 1986, as amended. The Utah State Board of Regents and the Utah Higher Education Assistance Authority (UHEAA) administer and manage UESP. It is the official and only Section 529 plan sponsored by the State of Utah. For a complete description of plan details, see the UESP Program Description dated February 2, 2015 Program Description (the "Program Description"), which can be downloaded from the UESP website at uesp.org.

As of December 31, 2014, UESP had more than 270,000 accounts and more than \$7.8 billion in assets under management. UESP offers 14 investment options with underlying investments in mutual funds managed by Vanguard®, Dimensional Fund Advisors, an FDIC-insured account held in trust by UESP with Sallie Mae Bank and U.S. Bank, and the Utah State Public Treasurers' Investment Fund (PTIF), a short-term fund managed by the Utah State Treasurer. UESP is offered directly to the public, classifying it as a "direct-sold" 529 plan.

1.4 Summary Scope of Services

The selected respondent must have extensive qualifications and experience relating to Investment consultant services.

A. Qualifications

UESP expects the selected respondent to demonstrate experience with at least the following:

- Providing investment portfolio consulting services to or on behalf of public or private entities for a minimum of five (5) years;
- Providing additional professional services and consulting with regard to other issues relating to UESP as requested by UESP; and
- Meeting deadlines.

B. Services

UESP expects the selected respondent to provide at least the following services, as directed by UESP:

- Providing general advice, counsel, and recommendations to UESP's staff, governing boards, and investment advisory committee on a variety of matters, including economic conditions, investment personnel, investment strategy, and investment portfolio addition or division, as well as overall investment health of the plan, other 529 vendors, and 529 industry issues and trends;

- Informing UESP in the event of significant changes in the investment climate or market conditions that could affect plan investments;
- Analyzing, evaluating, and helping improve UESP's investment options, underlying investments, asset allocation strategies, and objectives based on age groups of its beneficiaries as well as allocation for risk reduction;
- Attending meetings as requested by UESP, including occasionally presenting at quarterly meetings of the UHEAA board of directors;
- Evaluating the investment performance of the plan, including periodic evaluations comparing UESP investment performance to the performance of peers;
- Collaborating with or reviewing work of UESP's staff, third-party vendors, or consultants; and
- Providing consulting and other specific services as requested by UESP.

2.0 Informational Items

2.1 Proposal Response Deliverables

Proposals must be concise, with pertinent supplemental information referenced and included as attachments. All proposals must be organized and labeled to comply with the following sections:

Section A: Transmittal Letter. Include an introduction of the respondent's name, address, telephone number, and e-mail address of the person to be contacted along with others who are authorized to represent the organization in dealing with this RFP. Any other information not contained in the proposal itself should also be included in the letter.

Section B: Executive Summary. Briefly describe the respondent's qualifications and ability to provide the services described in this RFP. Also indicate any requirements that cannot be met by the respondent.

Section C: Detailed Discussion. This section should constitute the major portion of the proposal and must contain a specific response to Part B of this RFP. Outline numbers should correspond, in order, to the section numbers contained in this RFP.

Section D: Cost Proposal. The respondent must submit a specific cost proposal in response to Part B, Section 2, of this RFP. This section will be evaluated independently of other criteria in the proposal.

Section E: Additional Information. Additional information and attachments, if any, may be submitted by the respondent. The respondent must describe why such additional information is included in the submission. UESP may choose not to include such information in its evaluation of the proposal.

Failure to provide a written response to items indicated in this RFP will be interpreted by UESP as an inability by the respondent to provide the requested product, service, or function. Responses should not be composed of a link to a vendor or partner website.

2.2 Administrative Guidance

The information provided in this RFP is intended to assist respondents in preparing proposals, but is not intended to limit a proposal's content or to exclude any relevant or essential data. Respondents are encouraged to expand upon the specifications to give additional evidence of their ability to provide the services requested in this RFP.

2.3 Issuing Office and RFP Reference Code

UESP is issuing this RFP and all subsequent addenda relating to it. The reference code is "RFP No. UESP Investment Consultant Services – 2015." This code must be referenced on all proposals, correspondence, and documentation relating to the RFP.

NOTICE: Whenever the terms “bid”, “bidder”, “bidding,” or “quote” appear in this RFP, or reference is made to a bid, bidder, bidding, or quote, the term or reference shall be interpreted to mean, as applicable, offeror, as defined in Utah Code Ann. Section 63G-6a-103(30), or Request for Proposals, as defined in Utah Code Ann. Section 63G-6a-103(38). The procurement shall be conducted subject to the provisions of Utah Code Ann. Sections 63G-6a-701 through 711.

2.4 Submitting a Proposal

NOTICE: By submitting a proposal in response to this RFP, respondent is acknowledging that the requirements, scope of work, and the evaluation process, outlined in the RFP are fair, equitable, not unduly restrictive, understood and agreed to. Any exceptions to the content of the RFP must be protested to the purchasing agent prior to the closing date and time for submission of the proposal. Proposals must be received by the posted due date and time. Proposals received after the deadline will be late and ineligible for consideration.

Proposals will only be accepted electronically. No hard copies will be accepted. Submit your proposal via e-mail to:

rfp@uesp.org

Proposals must be received by the posted due date and time. Proposals received after the deadline will be late and ineligible for consideration.

Cost will be evaluated independently from the technical proposal, and, for that reason, must be submitted separately from the technical proposal. Failure to submit cost separately may result in a proposal being determined to be non-responsive. Inclusion of any cost or pricing data within the technical proposal may also result in a proposal being determined to be non-responsive.

The Proposal Due Date for all submissions is no later than **Friday, February 13, 2015, at 3:00 p.m., Mountain Time.**

PLEASE NOTE: Proposals must be received by the Proposal Due Date. Proposals received after the deadline will be late and ineligible for consideration.

2.6 Questions

Any questions arising subsequent to the issuance of this RFP must be submitted via e-mail to:

rfp@uesp.org.

2.7 Evaluation of Proposals

An evaluation committee will review all proposals received as described in Part C of this RFP. UESP may evaluate proposals received without oral presentations by respondents. Accordingly, each written proposal should be submitted with the most favorable rate and information available.

2.8 Award of the Contract

Upon completion of the evaluation process, UESP may award a contract to the respondent whose proposal is determined to be most advantageous to UESP and its account owners.

2.9 Restrictions on Publicity

The successful respondent may not, without the prior written approval of UESP, do any of the following:

- A. Make any announcement regarding the award of the contract relating to this RFP.
- B. Refer to UESP, or use any data, pictures, or other representation of UESP, in its advertising, marketing, or other promotional efforts.

News releases pertaining to the RFP, any proposal, or the contract will be made only by UESP.

2.10 Incurring Costs

UESP will not be liable for costs that respondents may incur in connection with the preparation, submission, or presentation of their proposals, including all travel, dining, lodging, and communication expenses. Proposals should be concise, straightforward, and prepared simply and economically. Expensive displays, bindings, or promotional materials are neither desired nor required. However, these instructions should not limit a proposal's content or exclude any relevant or essential data.

UESP will not be liable for any costs of the successful respondent relating to conducting contract negotiations, including drafting, research, legal review, preparation, attending meetings, travel, dining, lodging, and communication expenses.

2.11 Addenda

If it becomes necessary to revise this RFP completely or in part, an addendum will be issued as a formal, written addendum.

2.12 Other Communications

During the RFP process (from the date of issue through the date of contract award or other final decision), UESP will be the sole source of official information regarding this RFP. Changes to the RFP will be issued as a formal, written addendum. Any and all oral agreements or conversations are not binding on UESP. Signed, written agreements represent the only contractual obligations of UESP.

2.13 Reservation of Rights

The issuance of this RFP in no way constitutes a commitment by UESP to award a contract. UESP reserves the right to reject all proposals, to cancel this RFP at any time, or to issue a new RFP for the same or similar services. UESP may waive any informality or technicality in any proposal that would not serve the interest of UESP.

2.14 Discussions and Best and Final Offers

Discussions may be conducted with offerers who submit proposals determined to be reasonably susceptible of being selected for award, followed by an opportunity, at UESP's sole discretion, to make best and final offers. However, respondents should submit their very best estimates with their initial written proposals since UESP is not obligated to request a best and final offer and proposals may be accepted without discussion.

2.15 Protected Information

Because UESP is exempt from the provisions of the Government Records Access and Management Act (GRAMA), neither proposals submitted to UESP nor UESP's contracts are public records. Accordingly, except as is explained below, neither the names of those individuals or organizations responding to this RFP; the responses to this RFP, including material contained or submitted with the responses; nor the contract will be open for public inspection.

In accordance with the Procurement Code, Utah Code Ann. Section 63G-6a-2002(3), UESP shall keep, and make available to the public, a written record of the procurement, which record shall consist of (a) the name of the provider from whom the procurement is made; (b) a description of the procurement item; (c) the date of the procurement; and (d) the expenditure made for the procurement.

The contents of all responses to this RFP become the property of UESP and may be returned only at UESP's option.

2.16 Research Regarding Respondent

UESP reserves the right to conduct a background check of each person or entity that may assist in providing services under a response to this RFP to determine the person's fitness and qualifications to fulfill the requirements of this RFP. UESP may reject any response to this RFP that involves services from a person or entity that UESP determines is unfit or unqualified to fulfill the requirements of this RFP. Upon request by UESP, respondent shall obtain, at respondent's expense, a criminal background check from the Utah Department of Public Safety, Bureau of Criminal Investigation for the respondent, each officer of the respondent, and each person associated with the respondent who will perform the work described in this RFP. Respondent will provide UESP with the results of each criminal background check obtained at the request of UESP.

2.17 Modifications to, or Withdrawal of a Proposal

A respondent may modify or withdraw a proposal to this RFP at any time before the closing date and time of this RFP by providing UESP a written modification or written statement withdrawing the proposal.

2.18 Outstanding Tax Lien

By responding to this RFP, the respondent affirms that it does not have any outstanding tax liens issued by the Utah State Tax Commission.

 3. Are you or have you been a defendant in litigation relating to the investment consultant services that you would provide to UESP? (If yes, any final settlement, administrative decision, or judgment made in connection with this litigation shall be disclosed and accompanied by a full explanation of the circumstances surrounding it.)

- E. Describe any potential issues or problems, legal or otherwise, that could arise from a relationship with UESP.

1.2 Authorized Respondent Representatives

UESP reserves the right to require a change in the individual assigned to represent the respondent if the assigned representative is not serving the needs of UESP in an acceptable manner. This right shall carry forward through the response period and, with the successful respondent, during the term of the contract.

- B. Give the name, title, office address, telephone number, and e-mail address of the person authorized to sign a contract and receive and sign all formal notices and/or addendum regarding such contract. Note that all amendments to any contract must be in writing and signed by both parties.

2.0 Cost Proposal

2.1 Compensation and Billing

Describe in detail the respondent's proposed fee structure, hourly rates, what out-of-pocket costs (including travel) will be reimbursed, and the billing method. UESP prefers to pay monthly on an hourly rate basis rather than having to have a prepaid retainer with the selected respondent. Consideration will be given to those respondents whose proposal uses an hourly rate that is paid monthly when evaluating this component of each respondent's proposal.

PART C PROPOSAL EVALUATION

SECTION

1.0 Proposal Evaluation

1.1 Evaluation Criteria

An evaluation committee will evaluate proposals against the following weighted criteria. Each area of the evaluation criteria must be addressed in detail in proposal.

Evaluation Criteria	Maximum Points
Demonstrated ability to meet the scope of services	25
Demonstrated technical capability (proven track record)	20
Qualification and expertise of key personnel	15
Performance references for similar services	10
Overall cost of the services (including any out-of-pocket and travel costs)	30
Total Points	100

1.2 Evaluation Process

In the initial phase of the proposal evaluation process, an evaluation committee will review all proposals received by the due date. First, non-responsive proposals (those not conforming to RFP requirements) will be eliminated. Second, the remaining proposals will be evaluated in a manner to eliminate from further consideration those proposals that, in the sole judgment of the committee, fail to offer sufficient and substantive provisions to warrant further consideration. Each respondent has sole responsibility for the items included or not included in the response it submits. Deviations from or exceptions to the terms and specifications contained within this RFP, if stipulated in respondent responses, while possibly necessary in the view of a particular respondent, may result in disqualification.

At the conclusion of this initial evaluation phase, finalist respondent proposals will be selected for a detailed review and evaluation, possibly including oral presentations. Each of these proposals will be evaluated according to the evaluation criteria set forth in the Evaluation Worksheet, a copy of which is attached to this RFP as Attachment B. At the conclusion of this second evaluation phase, a cost evaluation will be performed of the finalist respondent’s cost proposals. The evaluation scores will then be combined with the cost scores to form a composite score.

UESP reserves the right to be the sole judge as to the overall acceptability of any proposal or to judge the individual merits of specific provisions within competing offers. UESP may exercise any of the rights reserved in Part A, Section 2.13, including the right not to award a contract to any respondent.

PART D CONTRACT ITEMS

SECTION

Such access will be during normal business hours or by appointment.
5. **CERTIFY REGISTRATION AND USE OF EMPLOYMENT "STATUS VERIFICATION SYSTEM".** The Status Verification System, also referred to as "E-verify", only applies to contracts issued through a Request for Proposal process, and to sole sources that are included within a Request for Proposal. Such affidavit must be provided prior to the notice to proceed for the subcontractor to perform the work."
3. The State will not consider a proposal for award, nor will it make any award where there has not been compliance with this Section.
4. Manually or electronically signing the Proposal is deemed the Contractor's certification of compliance with all provisions of this employment status verification certification required by all applicable status verification laws including UCA Section 63G-12-302.

5.2 Indemnity Clause for Status Verification System

1. Contractor (includes, but is not limited to any Contractor, Design Professional, Designer or Consultant) shall protect, indemnify and hold harmless, the State and its officers, employees, agents, representatives and anyone that the State may be liable for, against any claim, damages or liability arising out of or resulting from violations of the above Status Verification System Section whether violated by employees, agents, or contractors of the following: (a) Contractor; (b) Subcontractor at any tier; and/or (c) any entity or person for whom the Contractor or Subcontractor may be liable.

Section 15-6-3. The IRS interest rate is adjusted quarterly, and is applied on a per annum basis, on the invoice amount that is overdue. Unless otherwise stated in the Contract, all payments to Contractor will be remitted by mail or electronic funds transfer.

9. **Document Ownership.** Contractor agrees that any work/services and all Deliverables prepared for UESP, to the extent to which they are eligible under copyright law in any country, shall be deemed a work made for hire, such that all right, title, and interest in the work and Deliverables reside with UESP. To the extent any work or Deliverable is deemed not to be, for any reason whatsoever, work made for hire, Contractor agrees to assign and hereby assigns all right, title, and interest, including but not limited to, copyright, patent, trademark, and trade secret, to such work and Deliverables, and all extensions and renewals thereof, to UESP. Contractor further agrees to provide all assistance reasonably requested by UESP in the establishment, preservation, and enforcement of its rights in such work and Deliverables, or subsequent amendments or modifications to such work and Deliverables, without any additional compensation to

Section 67-16-8. Contractor also represents that it has no conflict of interest in performing the services for UESP under this Contract, unless such conflict of interest has been disclosed to UESP and approval to proceed, notwithstanding the conflict, has been obtained from UESP in writing.
11. **Contractor Is an Independent Contractor.** Contractor shall be an independent contractor, and as such, shall have no authorization, express or implied, to bind UESP to any agreements, settlements, liability, or understanding whatsoever, and agrees not to perform any acts as agent for UESP, except as herein expressly set forth. References in the Contract to Contractor shall include Contractor, Contractor's subcontractors, or subconsultants at any tier, if any. Results of any evaluation will be made available to Contractor.
15. **Waivers.** No waiver by UESP or Contractor of any default shall constitute a waiver of the same default at a later time or of a different default.
16. **Separability Clause.** A declaration by any court, or any other binding legal authority, that any provision of this Contract is illegal and void shall not affect the legality and enforceability of any other provision of this Contract, unless the provisions are mutually dependent.
17. **Renegotiation or Modifications.** This Contract may be amended, modified, or supplemented only by written amendment to this Contract, executed by authorized persons of the parties hereto, and attached to the original signed copy of this Contract. Contractor further acknowledges that in the event of such termination, all work product, which includes but is not limited to all manuals, forms, contracts, schedules, reports, and any and all documents produced by Contractor under this Contract up to the date of termination are the property of UESP and shall be promptly delivered to UESP.

Best rating as approved by the State of Utah Division of Risk Management.
 - b. **Minimum Coverage.** Contractor must carry insurance with policy limits no less than one million per incident and three million in the aggregate.
